To Whom It May Concern:

I've been asked to write a letter of reference for Ron Price, and I am happy to do so. I first met Mr. Price when he and I were presenters at the 2022 Wyoming Campmeeting. I attended his conflict prevention and resolution presentations, and I was impressed enough to ask him to present this material to one of my classes.

Some presenters have good information, and some can present in an engaging manner. Mr. Price has both. He combines humor and an easy delivery with solid, useful information that helps people enjoy healthy relationships.

I heartily recommend Ron Price if you are looking for a speaker or trainer to serve you well. I am confident he will deliver for you.
