To Whom It May Concern:

This past Sabbath, March 11, 2023, we had the privilege of having Ron Price share at both services. His presentation was relevant, engaging, practical, and interesting. He adds just enough humor at just the right times to, not only raise challenging issues with grace, but with the benefit of diffusing defenses. One of our church members said it best: "I think the whole world needs to hear this presentation!" We were blessed.
