To Whom it may Concern,

My church members were so pleased with having Ron Price speak at our church. His presentations were dynamic, informative and fun. It was especially impactful to hear his messages in light of the unique doctrines of our church. However, his information is such that he can present it in any setting, personal or professional, and it would remain relevant.

Ron is very easy to work with. He engaged with our church members after the series was over and was open for questions dealing with individual circumstances. He was present and involved with our church members the whole time he was with us. I found him to be personable and pleasant in my interactions with him as well.

I wouldn't hesitate to invite Ron back and you would be making a good decision to invite him to speak to your group as well.

Sincerely,

Pastor Jordan Fowler
