Pastor Darrel le Roux

Speaker Recommendation: Ron Price

To Whom It May Concern,

We have thoroughly enjoyed the wisdom God has inspired Ron Price to share with us in the Grand Rapids area from his experience and insights. The relational and principle applications to everyday living were a breath of fresh air that inspires anyone to explore new connections with others at work, at home or at church.

Feel free to contact me if you want any more info about our program.

Sincerely,

Lead Pastor
