To Whom It May Concern,

Ron Price came and shared his “Relationship Germs & Antidotes” presentation at a church community outreach in February of 2024. The material was very practical for all types of relationships and relevant to what people are going through in their daily lives. His presentation style was humorous and attention grabbing.

From what I could tell, everyone really enjoyed it! Many attendees wanted to talk with Ron and to purchase his books. I would definitely recommend his presentations to anyone looking for tools to strengthen their relationships!

Sincerely,

A handwritten signature in black ink that reads "Zac Page".
